CHARLES R. FELLOWS,

JAMES H. BEEDE,

Auditors.

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of Sandwich, in the County of Carroll, qualified to vote in district affairs. You are hereby notified to meet at the Town Hall on the fifth day of March, 1927, at two o'clock in the afternoon to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a treasurer for the ensuing year.
4. To choose a member of the School Board for the ensuing year.
5. To choose a member of the School Board for the ensuing three years.
6. To choose one or more auditors for the ensuing year.
7. To determine the salaries of all district officers.
8. To determine whether the district will appropriate the sum of \$5.00 on each \$1,000.00 of the equalized valuation, in order to secure State aid for the fiscal year beginning July 1, 1927.
9. To determine whether the district will vote to make any alterations in the report of the School Board, relating to the amount of money required for the support of schools and payment of statutory obligations.
10. To determine whether the district will authorize the School Board to sell the Fellows district school house.
11. To transact any business that may legally come before said meeting.

Given under our hand and seal, this ninth day of February, nineteen hundred and twenty-seven.

LILLIAN T. HEARD,

GRACE E. AINGER,

School Board of Sandwich.

LILLIAN T. HEARD,
 GRACE E. AINGER,
 School Board of Sandwich.

To the Citizens of Sandwich:

The school board appreciate the cooperation of the citizens, teachers and pupils during the past year, by this cooperation much has been accomplished.

In the following report a few of the activities of recent months are enumerated.

On Saturday, Dec. 10, 1926, the first Dental Clinic was held for the elementary school pupils at the office of Dr. Arthur Pottle in Meredith. The rates were reduced about one-half. For those children who were unable to attend the Clinic in the fall, arrangements have been made to hold a second Clinic in the spring.

In 1926 the school board voted to purchase all books and supplies used in the schools of Sandwich, this has been done at a substantial saving.

A supply closet has been built in the Center school in which they are contained.

It was deemed advisable to close the schools at 3.30 during the short days with a full hour at noon for luncheon.

When possible all cleaning and repairs of school buildings have been done by residents of the district in which the school is situated.

Two large trees have been removed from the rear of Whiteface school house (by kindness of a citizen of the district), thus admitting much more light to the school room.

Chick's Corner school house will need shingling in the very near future. A few years ago it was equipped with slate blackboards, new closet built, and made comfortable for the pupils.

The selectmen, at the request of the school board, have placed a drain at the entrance to the Center school

grounds, this will eliminate the water which has settled there each spring.

The outer door of the building has been rehung to swing outward, and a new lock placed on the door to comply with the State Law regarding school houses of two stories. This school was closed during the scarlet fever epidemic in the fall.

In the East Sandwich district, there was but one pupil to attend the elementary school in the fall term. Board could not be procured for a teacher at Lower Corner, therefore it was necessary to close both schools and transport the pupils to the school at Center Sandwich.

The school buildings are in excellent condition and by small expenditures from time to time may be kept in good repair.

LILLIAN T. HEARD,
GRACE E. AINGER,
School Board of Sandwich.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of Sandwich:

After six years under the supervision of Superintendent Jackson, it is almost needless to say that I found the schools in good condition and everywhere signs of the efforts being made to have the schools meet in a first-class manner the new educational conditions.

In the report of the State Board of Education just issued the school districts of the State are arranged in the order of their current costs per \$1,000 of equalized valuation.

In the list of 250 districts, Sandwich is number 38. That is in 212 districts the total current costs per \$1,000 are higher than in Sandwich. Only 16 have a lower rate for other current expenses including district officers, per capita tax, superintendent, etc.

This shows a very economical management of the schools.

The average salary for elementary teachers in the State is \$1023. The Sandwich average is \$200 less. Even with low salaries, the cost per pupil in the one-room schools with less than 10 pupils is well over \$100.

A one-room school with all the grades requires an especially able teacher so that instead of being the lowest paid she would be the highest.

With less than 10 pupils in a school the children are almost inevitably deprived of the educational and social stimulus which comes from association with others of their own age. Children brought up alone

are apt to be egotistic and selfish or painfully diffident. They need the training and experience of trying their powers in work and play in cooperation with their equals.

It would be more economical for the town as a whole if more money was spent on the roads so that transportation might be rapid and comfortable. All of the residents along the way would be benefitted and the children might have much greater educational opportunity. It is the most plausible way of stemming the tide of those who are leaving their farms so that their children may have village or city advantages.

QUIMBY SCHOOL

The citizens of Sandwich and the neighboring towns as well are especially fortunate in having such a practical and high grade high school as is the Quimby School.

The trustees are making every effort to have the school efficient in its preparation of pupils as successful and helpful citizens of the town and State.

The school membership in January, 1927, was 39.

PERFECT ATTENDANCE

Below is given an honor roll of pupils who were perfect in attendance for one or more terms in the year 1925-26.

It is an honor roll also for parents and teachers.

Of course absence is sometimes necessary and the health of the child is the first consideration, but an irregular attendance with tardy marks is evidence of slackness somewhere.

Excellent teachers usually have excellent attendance. Parents interested in their children generally see that they are regular in attendance.

Fall Term—Clifton Campbell, Dora Peaslee, Dennis Elliott, Agnes Ambrose, Wilfred Plummer, Delbert Avery, Chester Burrows, Marion Gray, Margery Lam-

bert, Elwin Graves, Dorothy Graves, Esther Martin, Edith Cook, Erma Russell, Muriel Russell, Helen Weed, Lawrence Blumberg, Edna Burrows, Luther Burrows, Francis Martin, Rosealie Quimby, Elizabeth Read, Lena Thompson, Doris Watson.

Winter Term—Langdon Ambrose, Delbert Avery, Elwin Graves, Dorothy Graves, Pauline Marston, Edith Cook, Erma Russell, Muriel Russell, Charles Mudgett, Robert Mudgett, Caroline Nudd, Edna Nudd, Walter Nudd, Ellsworth Smith, Luther Burrows, Rosealie Quimby, Lena Thompson, Flora Mudgett.

Spring Term—Langdon Ambrose, Everett Campbell, Roxie Burrows, Elwin Graves, Dorothy Graves, Pauline Marston, Edith Cook, Erma Russell, Muriel Russell, Carrie Gilman, Robert Woodard, Esther Martin, Ellsworth Smith, Wilbur Martin, Edna Burrows, Luther Burrows, Rosealie Quimby, Lena Thompson, Doris Watson, Flora Mudgett, Wilbur Cook.

PERFECT ATTENDANCE FOR YEAR, 1925-26

Luther Burrows, Rosealie Quimby, Lena Thompson, Edith Cook, Erma Russell, Muriel Russell, Elwin Graves, Dorothy Graves.

Respectfully submitted,
ERNEST W. SMALL.
